Building faces what direction? _____

Relationship to other buildings [by itself, on a block, other useful neighborhood information]

Age [when built, if known] _____ Architectural Style [optional] _____

Windows: material, wood, vinyl, metal. Do you plan to paint them?

Special architectural feature of note:

Color of roof - any changes planned for it?

Brick, block or stone colors of note:

Your color preferences: list, if you desire, your general thoughts on what you might like to see. [E.g. light body, medium trim or we/I like greens, etc.]

Color Scheme ideas: are you interested in only historic colors, modern colors? Would like a highly detailed schemes or something calmer? On a scale of 1 to 10, how much detail do you wish to highlight? What words would you like your new color scheme to elicit?

When are you planning on painting?
